

Adaptive Recreation Equipment
Loan Program

Hippocampes

*Providing an opportunity for
everyone to be active!*

The hippocampe all-terrain wheelchair can be towed, pushed, or self-propelled and is built to easily manoeuvre on rough terrain. The hippocampe enables everyone, of any age, to enjoy the great outdoors, whether it be trails, beaches, oceans or lakes. It allows the user to enter the water and will float while the user swims. It also disassembles quickly for easy transportation.

**For Residents of Shelburne &
Yarmouth Counties**

Equipment available:

- 2 Hippocampe All-terrain Wheelchairs
- 2 Seat Inserts (to accommodate small children)
- Each Hippocampe comes with a harness, push bar, pull cord, travel bag, arm rests and brakes
- Head rest also available.

Equipment will fit children, youth & adults.

Loan Fee: \$15

Coordination of this program provided by the following partners. Contact your local recreation department for more information:
